

# PERIOD SIGNS

*English Leadwork.*

Dear Sirs

Thankyou for the giving us the opportunity to introduce you to **Period Signs**.

**Period Signs** are the only manufacturer of traditional Lead house signs in the UK. Our signs will complement and enhance any property whatever its age or style.

All **Period Signs** designs are original and handcrafted by a small team of skilled craftsmen. We work from a small craft studio where each house sign is made individually to order and cast by hand

I hope you will find our brochure both interesting and inspiring.

If you cannot find a design in the brochure that will suit your house name, please feel free to give us a call as we regularly add more designs to our range and are always happy to design a plate to suit your needs.

We look forward to hearing from you soon

Your Sincerely

Fergus MacDougall
